

# ALC Parking Information

The All Life Center is located upon 24 scenic acres in southern Delaware County. We are just seven miles north of I-270 at the corner of State Route 23 (Columbus Pike) and Hyatts Road. Please check in at the main entrance when you arrive. The door between the garage and the main entrance is wheelchair accessible. Please note below the address to both the center and to the overflow parking area.

## **All Life Center parking:**

**123 Hyatts Road  
Delaware, OH 43015**

Please do not park on the grass. This lot is located on the south side of Hyatts Road. Look for the large rock with the address and tall trees flanking the driveway.

If you are coming from SR 315, we are 1.7 miles from 315 on your right. If coming from SR 23, we are about .10 of a mile on your left. Please save spaces closest to the center for those with limited mobility or special needs. If Hyatts parking is full, you can park in our overflow parking lot listed below. The walkway from the overflow parking to the center is ADA compliant.

## **Overflow parking:**

**5700 Columbus Pike  
Delaware, OH 43015**

To reach the overflow parking from the center, turn right onto Hyatts Road and continue East to the light at SR 23. Then turn right onto SR 23 (Columbus Pike) and then right again into the driveway for the All Life Center. The driveway is shared by Pizza Cabin and 23 Drive-Thru. You will see our large black planters with our logo that line our parking lot on SR 23. Follow the small white ALC parking signs toward the back-right corner of the lot to find the walkway and bridge to the center. Once you have parked, you will enjoy an inspiring walk through the trees, over the Bridge of Intent, where you can set your intention for your visit as you walk through our lovely woods to the All Life Center. The bridge and boardwalk are ADA compliant.

Please call the center at 740-201-8242 with any questions.
